Privacy Policy

At Sapphires Nursery School we promise to keep your data safe and private and only use your personal information to manage your account and provide tailored care for your child.

Your privacy is protected by law and the General Data Protection Regulation (GDPR) which says that we are allowed to use personal information only if we have a proper reason to do so. This includes sharing outside of Sapphires Nursery School. The law says we must have one or more of these reasons:

- To fulfil a contract we have with you, or
- When it is our legal duty, or
- When it is in our legitimate interest, or
- When you consent to it.

A legitimate interest is when we have a business or commercial reason to use your information. But even then, it must not unfairly go against what is right and best for you. If we rely on our legitimate interest, we will tell you what that is.

From time to time, we will need to contact you, via phone, email or the Parent Zone app to provide you with nursery updates, share relevant news or send your monthly invoices.

The categories of child information that we collect, hold and share include

- Personal information and contacts (such as name, date of birth and address)
- Characteristics (such as ethnicity, language, nationality, country of birth)

- Attendance information (such as sessions attended, absences and absence reasons)
- Assessment information (such as development records, progress reports and observations)
- Medical information (such as immunisation records, allergy information or dietaries)
- Safeguarding information (such as court orders and professional involvement)
- Special educational needs (including the needs and ranking)

Why we collect and use this information

- to assess the quality of our services
- to comply with the law regarding data sharing

The lawful basis on which we use this information

We collect and use child information under GDPR Article 6, 1b, 1c and 1f, as well as Article 9, 2a and 2c.

Collecting child information

Whilst the majority of child information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the GDPR, we will inform you whether you are required to provide certain child information to us or if you have a choice in this. Data will be collected via your registration form and parent contract, as well as through a selection of introduction forms when your child begins at the nursery. You may also be asked to sign local authority forms, such as funding consent.
